

Manufacturing of complex aerostructure Work Packages in composite materials

Address

Zone Industrielle M’Ghira 3, Lot 119, rue Tozeur, Parc  
Aéronautique, 2082 FOUCHANA

Contact

phone: (+216) 70 02 96 40

FAX: (+216) 70 02 96 50

@ : p.delattre@cca.tn

Web: [www.cca.fr](http://www.cca.fr)

General Informations

Created in Tunisia: 25/06/2010

Legal structure: S.A

Capital ( TND):

Affiliate: CORSE COMPOSITES AERONAUTIQUES

Managers (Name / Function):

Jean Yves LECCIA PDG

Patrick de LATTRE DGA

Chiffre d'affaires Aéronautique (TND):

2026 89 870 000

Forecast 2027 not available

| Staff                | 2026 | Fore. 2027    |
|----------------------|------|---------------|
| Managers / Engineers | 23   | not available |
| Technicians          | 76   | not available |
| Operators            | 172  | not available |
| Total                | 271  | not available |

Certifications /Aprovals

ISO 9001 - EN9100  
ISO 14001  
ISO 45001  
PART21G  
COFREND/COSAC UT & RX

MEANS

Area :  
Total : 20720 m2  
Covered 13400 m2

Main means :

ERP : SAP  
CAD (Computer-Aided Design) : CATIA V5  
2 Freezers -18°C  
2 Fabric automatic cutting machines  
Laser projectino-equipped cleanroom with controlled access and atmosphere - Lay-up area: 1,900 m2  
4 Autoclaves 250°-15 Bars - Maximal Dimensions : 9m x diam 4m  
2 Ventilated Ovens 250 ° - Maximal Dimensions : 4m x 2.5 m  
4 Large 5-axis CNC machining centers (Composite and Aluminium)  
Non-Destructive Testing Center: Manual and Robotic Ultrasonic and X-ray (A-Scan, C-Scan, X-Ray)  
Three-dimensional geometric control stations using laser tracker  
Mechanical testing laboratory  
"4 Paint preparation and application booths and ovens"  
Mechanical assembly workshop

### Activites

## Manufacturing of complex aerospace Work Packages in composite materials
