GENERAL INFORMATIONS

Created in Tunisia12/11/2007

Legal structure SARL

Capital (TND) 400,000 DT

Affiliate Molex

Managers (Name / Function)

- MARK SIMON KELLEHER

Manager
- ZAIRA MARTELLOTTA

Manager
- ANTOINE GIRAULT

Plant Manager

*Assembly of high-reliability connectors and contacts for harsh environments
*Main markets: Aerospace (50%), Rail (40%), Industrial and Medical (10%)
*Some clients: Thales Avionics, Airbus, Hispano Suiza (Safran Group),
Astrium, Thales Alenia Space, Leonardo, MBDA, Alstom

Certifications /Aprovals

- IRIS ISO/TS 22163:2017
- AS9100D and ISO 9001 :2015
- ISO14001: 2015
- ISO 45001:2018
- IPC/WHMA-A-620
- IPC J-STD-001

MEANS

Area:

Totale (m²)3080m²

Couvered (m²)3080m²

Staff	31/12/26	Fore. 31/12/2027
Managers / Engineers	13	13
Technicians	11	11
Operators	64	64
Total	88	88

02 laser marking machines

multisealing machine

Inspection equipments

02 tinning machines and 02 cleaning machines Ultra Sonic

Manual press and specific tooling

01 tampoprint machine

01 pneumatic and hydraulic press

01 cutting cable machine - cable harnessing

SR900 machine - cable harnessing

01 wire stripping machine - cable harnessing

01 traction test machine - cable harnessing

01 crimping machine - cable harnessing

01 ink printing - cable harnessing

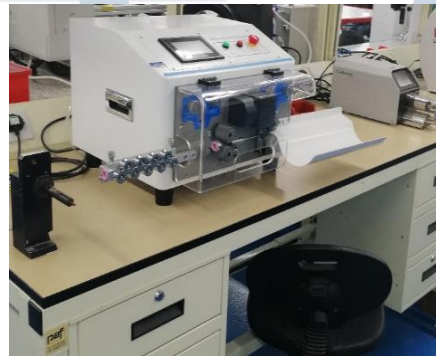

01 manual tooling and heats guns - cable harnessing

01 electric test bench - cable harnessing

01 soldering station - cable harnessing

01 over molding - cable harnessing
